

PROJECT

KOI FISH

Price: £30

Approximate time to complete: 2 hours

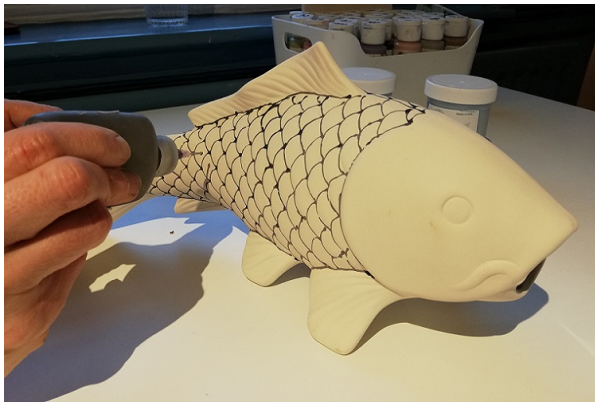

You will need:

- Koi fish ceramic
- Sponge
- Large brush
- Pale turquoise paint (28 - Blue Isle)
- Black writer bottle (15 - Tuxedo)
- Crystal glaze - Monsoon Seas

KOI FISH - Painting steps

Step 1 : Use the black writer bottle (15 - Tuxedo) to outline the scales on the fish. Only one coat is needed.

Step 2 : Using the sponge, dab one layer of the turquoise paint (28 - Blue Isle) onto the head, tail & fins.

Step 3 : Stir the Monsoon Seas crystal glaze really well, and then paint three coats over the body of the fish with a large brush.

Step 4 : Finally, use the writer bottle to add the eyes and detail on the face, tail and fins - and you're done!
